Private Swim Lessons

People choose private swim lessons for many reason; one-on-one instruction, intensive skill development, scheduling and comfort. Whatever the reason, our American Red Cross trained swimming instructors will provide quality, individual swim instruction for any age or ability.

Semi-private lessons are also available for 2-3 swimmers. Children may be at slightly different swim levels, and a 1-2 year age range is preferred.

Private and semi-private lessons are scheduled by availability of instructor and the requirements of the swimmer. Lessons can be scheduled prior to the opening of the aquatic facility, and if needed during open swim time. All private and semi-private lessons are 30 minutes in length. *24-hour notice is required to cancel and reschedule any previously scheduled lesson. If 24-hour notice is not made prior to missing a scheduled lesson, payment in advance will be required for all future private lessons.*

Complete the private instruction request form below and turn it in to the Aquatic Park front desk. Your request will be given to an instructor that will best suit your schedule and needs. An instructor will contact you to schedule your lessons (subject to instructor/facility availability).
