Help the MCHS Continue our Mission:

We shall preserve and share the history of Martin County by acquiring, conserving, appropriately displaying, and making it accessible for viewing, research, and educational purposes.

Your Legacy Gifts will help the Martin County Historical Society in many

ways, such as:

- Monetary gifts will help us fund projects and programming
- Artifact gifts will help us furnish both the Pioneer Parsonage and Pioneer Museum
- Stock and/or Endowment gifts will help secure a good financial future for the MCHS

**Any gift will help the MCHS
to carry out our mission!**

Estate Giving is a planned gift that is set up by someone in their estate, living trust, or will. The purpose of leaving a legacy gift is to help ensure that the MCHS will have a successful future for many generations to come.

There are numerous types of Estate gifts that can be bequeathed to the MCHS, such as:

- Money
- A Percentage of One's Estate
- Retirement Plans
- Life Insurance Policies
- Real Estate
- Stock Options

**Thank You
To All Who Consider
The MCHS A Place
Worthy Of Your Donation!**

In thanks for the generosity of those who would include an Estate gift to the MCHS there are a number of benefits:

- A one year annual membership for themselves, a family member, or friend (who are non-members)
- Donor's name on the Donor Recognition Board in the museum
- Donor's name in one of our newsletter publications
- Recognition at the MCHS Annual Meeting

Outside of an Estate gift, other ways to leave a legacy for the MCHS are:

- Artifacts for the Museum
- Photos for the Museum's Collection
- Biographies
- Family Histories
- Personal Property

**All Gifts Are Subject To Approval By
The MCHS Board Of Directors**
